

WICE Albany Monthly Lunch Club - December 8th:

Once a month, get together with fellow WICE members in the Albany for a lunch date! This is a great opportunity to get to know other women in the industry, discuss current events in the business, try new restaurants, and support local businesses. We will meet on a designated day at a new restaurant each month. There is no commitment, so if you are available, join us! If not, we hope you can make it to the next one. Our goal is to bring women in the communications and energy fields together for more than just networking, but to really get to know each other and build relationships. If you are interested in joining the mailing list, please reach out to info@wiceny.com and provide your name, email, weekday preference, and any restaurant recommendations.
